Getting a feel for Sam.....

Lucan Sarsfields Under 7's were thrilled to get their hands on the **Sam Maguire** at the Fun Day on Saturday last. Pictured (*clockwise*) are Evan, Tommy, Conor, Andrew, Joey, Fionn and Cathal.

Dub and Sarsfield player, Paul Casey, who has previously put these boys through their warm-up paces, accompanied by Bernard Brogan, Denis Bastick and Kevin Nolan was warmly welcomed at the Club.

The boys above had a good practice with the cup for when they as Dubs, lift it again in a few years time. Hopefully, we'll be rooting this photo out of the archives then!

**Village Comes Alive for
Lucan Festival**

Even the rain didn't dampen the Festival spirit as Lucan residents came out in force to help celebrate the Festival Family Day, the highlight of the week long Lucan Festival (19th -25th September). The Festival, which is growing from strength to strength, attracted thousands of people to Lucan Village where onlookers were entertained by local, Irish and Intercultural bands and musical acts, puppet and magic shows, as well as Garda open day, LVPA Wildlife and Reptile Zoo, popular new comer Festival Duck Race and street performers to add to the Festival atmosphere.

We are delighted with the turn out this year despite the weather and believe we produced a Festival that we can all be proud of. Residents of all parts of Lucan and had a unique opportunity to enjoy and appreciate a showcase of local groups and organisations. I would like to thank everyone that made this year's Festival possible including the Gardai, South Dublin County Council, CPLN Partnership, volunteers and local businesses. But most of all I would like to thank all our artists, speakers and performers who participated making this our best ever Lucan Festival. Thank you for making it such a special week.

May I, on behalf of everyone at Liffey Sound, wish
Sgt Mick Kearney well in his retirement.

A *must* for all those involved in community and
voluntary organisations was Caroline Egan's

questions on governance central to the success of
voluntary groups.

Liffey Sound 96.4fm Your radio, your voice.

Maeve Tobin (See *Maria Meets*, Liffey Sound)
conducting the Garda Band on Sunday last!

Congratulations to all involved in
Lucan Festival last week!
Despite the showery weather, it
seems all had a good time.

Once again, the Garda Band played
a blinder in the Village on Sunday,
and lots of young Lucanians got a chance to show
their talent, while performing with the Gardai. We
spotted several locals in handcuffs, and in
interview rooms in the Station, but all in good fun.

Joe Byrne had an excellent exhibition of old
photographs and memorabilia in the Church of
Ireland Parish Centre, and while it would be
impossible to mention every event, we have to say
well done to **Lucan Sarsfields** on an excellent Fun
Day on the Saturday – **Sam** even turned up at that
one!

Imogen, Emma, Katie and Orla were out taking
part in the festival on Sunday.

The Presidency – looks like we'll all get swept
along in the race for the Presidency over the next
month – Hopefully all candidates will respect our
village poster '*rules*'!

Thrills and Spills! The Annual **Liffey Descent**
postponed from September due to shortage of
water, is due to be held on Saturday next 8th
October, so get out and make a day of it. Take the
kids and the cameras along to the Weir in Lucan
Village – you won't be disappointed!

All Stars for Lucan! – Congratulations to **Dubs**
Full Back Peter Kelly, and Midfielder Johnny
McCaffrey

who received
nominations
for the
Hurling All
Stars 2011.
Best of luck to
the two
Lucan lads,
we'll be
keeping our
fingers
crossed!

A Vision

Every idea needs someone to have a vision first, to imagine, to consider the possible. Ideas must be thought into existence, then hope gives them wings. Until I went to Malawi, I thought hope was a type of pious, academic, optimism, but now I realise that hope is a passion for the possible and without it people are indeed hopeless.

The vision was simple: that some of the poorest people should have clean, safe drinking water.

We envisaged using the simplest, low cost pump technology, producing a sustainable long lasting pump that could be repaired by the village women and made from local materials. This realised, with a our pump factory in Mzuzu and the numbers of people with clean water increasing every day to well over 100,000, we are now on an expanded vision.

Wells for Zoe is a tiny organisation, but passionate about what we do, and so thankful to our villagers or volunteers, for having enabled so much to be achieved. To achieve, in Malawi, one needs to be inspiring every day.

"To be inspired means to move forward with purpose and enthusiasm. Purpose denotes a clarity of intention while enthusiasm is derived from the Greek en theos, a God or spirit within. Clarity of intention propelled by a spirit within is the most potent combination for achievement and creativity known to humankind.

http://www.youtube.com/watch?v=9Ob3Vpi1u_0
With our friends and volunteers, we bring hope to people in despair, not by cursing the darkness, but by lighting a light, and considering challenges as opportunities. All this happens as a result of your support and the energy of our amazing volunteers.

Our latest venture is to support selfhelp groups (SHG). SHG's are village-based groups of about 20 women. Members make small regular savings contributions over a few months until there is enough capital in the group to begin lending to members who submit proposals. SHGs have been shown to

be a powerful means of developing leadership abilities, increasing school enrolments, and improving nutrition among villagers in many developing countries. The success of the 15 groups, I have met with, in the past 8 months has been phenomenal. (One group of very poor women now have a *loan book* of over €2000, starting with savings of less than 20 cent per week each). All they need now is *infrastructural support* from us.

The first meeting I sat in on was held in a small enclosure for cows, where 20 women, came on time, as there was a fine for being late, sat on the ground, put out their 3 bowls, one for savings, one for loan payments and one for a social fund. These women started saving and doing little business ventures in February 2011 and are now in full flow. I sat there quietly while 15,000 (€68) was counted out into the first bowl, 31750 (€144) of loan repayments was counted, with every note on clear view, into the second and 3100Kw (€14) went into the social fun. Loans were sought to the value of 51,000Kw (€232), so the woman seeking the largest loan, 25000 agreed to take what was left. They kept 785 in the kitty and this was the end of the financial dealing.

If one considers that the pay for one day may be 200 Kw on a very very good day, the woman looking for a loan of 25000, was looking for 25 weeks wages up front. This was a huge amount of money and no one batted an eyelid. She was doing business and would have no bother paying it back within the eight weeks while paying the 20% interest before anything else.

When I first heard of this I thought it was the craziest idea ever, but now we are focusing our future on working with 50 groups of these remarkable women over the next three years. I have always read of the huge profitability of micro business, but in Asia, not Africa. Some go 100 km to the lake, buying fish to sell locally, some buy second hand clothes and salt in Tanzania 280 km, while others make bricks. The 20% interest rate is fundamental and applies to any term of loan up to eight weeks, as it builds up funds quickly.

Watermains Rehabilitation Works in Lucan Main

Street and Sarsfield Park: The Manager gave me with a comprehensive Report at Tuesday's meeting. Almost 3 km of old watermains (which were exhibiting high leakage and burst rates) were replaced. If the works were not done, frequent interruptions of supply and expensive water leakage would be likely. There was extensive consultation in advance with commercial customers in the area, including a meeting with Lucan Chamber of Commerce. The Council engaged in publicity, by advertisements, leaflets and visits to businesses. The cost was €612,000, 90% funded by Government and 10% by the Council.

Village Taxi Rank: In response to Motions from Cllr Lavelle and myself, the Roads Department has made an interesting proposal for a replacement larger Taxi Rank at Village Court on the Lucan Road. At Tuesday's meeting we agreed to give time for consultation with residents, business owners and Taxi owners, before refining and deciding on the proposal at the meeting of 25th October.

Greyhound Recycling At last weeks Council meeting a cross-party emergency motion was passed expressing serious concern about the recent price structure changes announced by Greyhound and inviting them in to meet with Councillors to discuss this issue at length.

Lucan Festival Congrats to all involved in putting together this year's Lucan Festival. With a fantastic lineup on offer, there was something for everyone last week in Lucan. I really enjoyed the Family Fun Days held in both Sarsfield and the Village and wish to congratulate the organising committee on yet another successful year.

Democracy six applicants for the Presidential nomination addressed the Council over the past few months. Two of them had secured nominations; I initiated the special meeting and proposed the motion that we nominate Senator Norris. On the 26th we voted and the result was 11 for, 12 against and 3 abstentions. That's democracy in action.

I do not know Senator Norris personally and we spoke only a few times, my main purpose was to facilitate the democratic process so that the people can have their say. Opinion polls have shown that the people want him on the ticket and the contacts I had were 20 to 1 that I nominate him. Council nomination is a good idea but the time element is too tight. Many thanks to all who contacted me. Good luck to all seven candidates.

Supporting Residents Associations: I have supported many local residents association in applying for Community Grants from the council. I am delighted that a further €1,900 is now being distributed to four more residents associations: Finnstown Abbey, Castle Riada Drive, Hayden's Park & Brookvale.

Steps at Dispensary Lane (beside bus stop): At residents' request I secured repairs to damaged steps last week.

Dogs area in Griffeen Valley Park: In reply to my question at this week's area committee, it is hoped to install a dedicated dogs area before the end of year as I have repeatedly requested.

Lucan Festival: Well done and thanks to the committee, Gardai & Lucan Sarsfields on last weekends activities.

Metro West: Following Minister Varadkar's announcement I am seeking the scrapping of Metro West development levies which are an unfair burden on businesses in many parts of Lucan.

Greyhound Bin charges: I am working to seek a solution to this unjust and unacceptable new stand-alone charge imposed by Greyhound. I raised this in the Dáil. I have written to the Greyhound CEO, Mr Brian Buckley, I have invited fellow Deputies Joanna Tuffy & Robert Dowds to join me in meeting him. I attach the CEO's email - brianb@greyhoundrecycling.com. I would encourage you to email him. His direct line number is 01-4675766. This stand-alone charge is not environmentally friendly and is against the polluter pays principle, it historically leads to increased waste dumping. The Guest speaker is Clare Crowley who is currently working as a life skills facilitator and educator and has a diploma in psychotherapy. Topic on the night will be "Parenting Teenagers in the 21st Century". Her talk will last approximately 45 minutes. All parents welcome.

Student Safety: The safety of students as they travel to and from school is of concern to us. We would like to remind students and parents of the following. Pedestrians: Those who are walking to school should always use footpaths and pedestrian crossing areas and entered the school grounds through the nearest gate. Cyclists should always wear a helmet and dismount at the school gates.

Drivers: We would like to remind those who drop off their son/daughter that it is illegal and dangerous to park at the school gates.

Transport Users

We welcome the announcement by the Minister of Transport to drop metro West. Finally the penny dropped as this option made no sense at all. In fact it has prevented Lucan ever getting a Luas line except through Adamstown. This change of heart opens the door for our simple alternative plan. By extending the Luas from City West to Adamstown rail station and linking mainline rail from Adamstown to Leixlip. This completes a full orbital transport network around Dublin linking up with the radial bus system. Adamstown will become a main station to most parts of Ireland. The transport solution is in this county. We are holding a public transport meeting in Wynns hotel D1 on Sat. 8th Oct at 11AM to promote this idea. Your support is now needed more than ever or we will lose again. If you can't attend let others know what we are trying to achieve for Lucan.

Golf Society: Saturday September 24th was our Captain's (Dave Whittle's) Day at sun-drenched Castleknock Golf Club. Thirty-six keen golfers took to the field in search of Dave's Captain's Prize, with a somewhat smaller number chasing the Golfer Of The Year award (sponsored by Paddy Collings). At the end of the day, the Captain's Prize went to one of our most experienced golfers, Christy Leahy, with a magnificent score of 44 points. A most popular winner among Society members, and someone who has waited patiently for this opportunity down through the years, heartiest congratulations to him. In contrast, the Golfer Of The

Year award (for the player with the best score over 3 rounds) went to the youngest member of the Society, Ben Quilligan, in his very first year as a member, with an exceptional average score of 39 points. Gerry O'Grady was overall runner-up with 39 points, and Class winners were Damian O'Brien, Dave Whittle and Christy O'Toole. Club Chairman Sean O'Conghaile congratulated all the prize-winners and expressed his appreciation to Captain Dave for a wonderful year, and acknowledged the important fund-raising done by the Golf Society Committee through the Golf Classic. 2011 has been a difficult year for the Society with membership down from 59 to 46 and average attendance at golf outings down from 38 to 28. All golfers involved in any way in Lucan Sarsfields are encouraged to play golf with the Society and visitors are always welcome. Next outing: April 2012!

SH 'A' Championship Lucan 1-15 Cuala 0-12

After the break, Lucan quickly added to the half-time lead but a dogged Cuala side refused to yield until a Chris Crummey goal well into the second half. LUCAN BOXING CLUB

Last Saturday 24th September saw Lucan BC take on a very strong St. Paul's club from Waterford. First up was 12 yo Dylan Reilly (*right*) who performed well but intimately came up short against his opponent Andy McDonagh.

The second Lucan man

onto the canvas was 12 yo Evan Fitzgerald. Evan displayed all of his well honed skills against a much bigger opponent and although he was beaten on points he put in a good performance. Well done Evan! The big lads were in next and through the ropes stepped 15y yo 'Machine Gun' Senan Kelly. The Leixlip man had brought a loud partisan following with him and he didn't disappoint. Kelly landed at will and although his foe put up a game fight, he wasn't a match for the busy Leixlip man. Another Leixlip man was next in 15 yo Luke Byrne, when Luke entered the ring the noise was deafening as his large female support done a good impersonation of Beatles fans in the 1960's! Luke was up to the task as he stung his opponents face with rapid fire shots and exquisite combinations to win well in the end.

After his TKO of a European schoolboy silver medallist in Tramore BC last week, 16 yo Aaron 'The Bodysnatcher' McGrane was in confident form as he next stepped onto the canvas. As the capacity crowd of 300 in the Clarion Hotel got excited about this Palmerstown lad, Aaron went and got busy. You blinked, you missed it. McGrane again landed a body shot in the 1st round that would fell an oak. His opponent gamely tried to continue but Aaron landed another in quick succession and the referee had no choice but to stop the bout. This boy is something special! 2009 boxer of the year. Claudiu Munteanu was up against an old friend from St. Pauls BC, Jamie Quigley a three times National Champion had lost in May in their first encounter and was determined to set the record straight. 'The Hitman' Munteanu had other ideas. Claudiu had a tough fight but edged it in the end. Good shootin Claud!

Ray McCarthy debuted in Lucan colours and performed well against his much more experienced opponent. Well done Ray. After a long absence from Lucan colours, Mick 'Too Quick' Clarke donned the singlet and dominated his heavyweight encounter against his Waterford opponent. Great to see a Clarke back in the Lucan vest. Mick's father Liam Clarke was integral to Lucan Boxing club in its formative years and his son done him and the club proud. Great stuff!

Other contests included boxers from Crumlin and St. Saviours guesting for Lucan as well as exhibitions featuring some of our up and coming novice pugilists including, Ciara McGowan, Niamh Connaughton, Tarlach Kelly, Conor Egan, Joe Adams and Joe Farrell. Well done to all!

Home boxer of the night – Lucan Byrne Lucan BC. Away boxer of the night – Jamie Quigley St. Pauls BC. Thanks to all of the support on the night and Lucan BC hope to stage shows on a regular basis. Photos etc on our facebook.

For info on Lucan BC etc contact Karl @ 087 1236993 or Ed @ 085 7480207.

LUCAN HARRIERS & A.C.

Juvenile Results: Dublin Cross Country League Round 2 – Phoenix Park, Sunday, September 25th

9 Lucan juvenile athletes made a trip to the Phoenix Park as the cross country season continued for our juvenile athletes.

U12 Boys

Ciaran Cooney ran his second race of the week and his second in Lucan colours. Ciaran his proving quite a talent and bettered his 6th place a week earlier with a magnificent 3rd place this out. This podium placing has been well earned by Ciaran for his hard work since joining the club. Ciaran obviously has an abundance of talent and we look forward to seeing this develop over the course of the season.

Niall Larkin was Lucan's second finisher in the U12 race as Niall produced a terrific run in his first cross country race of the season to place 14th against high quality opposition. With the cross country just half way through we can look forward to seeing Niall's progress over the remainder of the campaign as history tells us the Niall gets stronger with each race. Adam Kelleher, also competing in the U12 boy's race can be delighted with his performance as Adam continues to develop and get stronger all the time. Adam produced a very strong finish to the second race in this cross country league to finish 17th overall in an impressive time. This excellent run will give Adam great confidence as he heads into the final two races of the series. Brandon O'Sullivan, like Ciaran, was also running

in only his second race for the club and built on an brilliant showing a week earlier with an equally impressive run this time out to place impressively against athletes with a lot more experience at this stage. No doubt we will continue to see Brandon's great dedication to training being rewarded over the course of the season.

U13 Girls: Saoirse Reihill fresh from her impressive start to this year's league, put in a second excellent display in this years cross country league. Saoirse showed little sign of fatigue following as recent hectic schedule to place 17th in a top quality race. Looking back on Saoirse's performances she a history of getting stronger with each run so no doubt Saoirse will continue this amazing form over the remaining races.

U15 Girls: Sarah Reihill in her second race since returning from injury continued her impressive comeback as a superb run from start to finish saw Sarah finish in a remarkable 6th overall. With a clear injury free run of races we will see Sarah continue to get stronger all the time as Sarah's natural talent will see her mix it at the top end in her category over the remaining 2 races in this league.

U15 Boys

Glenn Cooney, too competing in just his second race, continued his progression with a very strong display in a quality race. Glenn showing tremendous strength throughout finished very impressively to place in the middle of a top quality field. Glenn continues to impress in training and Glenn's terrific work ethic is reaping dividends in competitive action. By adding Glenn to the great mix of athletes at the club, our juvenile section continues to go from strength to strength. New member Bob will also help this category at the club as on his debut in the Lucan Harriers' colours Bob produced a fantastic run in his first ever race to compete the undulating cross country course in a very swift time. Considering that Bob is such a novice, this display demonstrates the fact that Bob has a great tactical brain for an athlete so young.

U16 Boys: Daniel Byrne in placing on the podium for the second successive race has given himself a terrific chance of winning his highly category in this year juvenile league. Following a brilliant victory 7 days earlier Daniel continued his outstanding run of results over the cross country terrain as a fantastic demonstration of cross country running from Daniel saw him place a brilliant third this time out. This continues Daniel's great start to the cross country campaign and without a shadow of the doubt Daniel will continue to compete at top end of his races.

LUCAN CYCLING CLUB

Leinster Track Championships 2011: Roisin Leads the Way for LCRC: Roisin Kennedy capped off another great Season winning the Leinster Track Championships in her last competitive event of 2011. The LCRC Senior Track Team were in action in the Leinster Track Championships at Sundrive Velodrome (Sep 24), taking Five Medals from the event.

After the Youth Teams success, Kennedy was the highlight of the day in the Elite Women's Race. The Women's Scratch race was aggressive from lap one. World Masters Track Champion Orla Hendron (Orwell) had attacked within the first 100M, and was countered by multi National Road Champion Geraldine Gill (Bohermeen). There was still five girls in contention approaching the final laps when Kennedy attacked hard, Roisin went clear on her own, and was delighted to win her first Leinster Track Gold Medal, having won ten Leinster Road Medals in previous years.

In the Veteran events, Defending Champion Brendan Whelan took a Bronze Medal in the 500m TT and followed up with a Bronze in the Veteran scratch race. Whelan will now travel to Manchester Velodrome for the World Masters Track Cycling Championships in October. Ross Grogan was riding his last ever Junior Event, Ross will join the Senior Team in 2012, and the young Lucan man was delighted to end his season with two Bronze Medals in the Junior events.

Leinster Youth Track Championships 2011: Lucan Youth Medal at Championships: The LCRC Youth Track Team went to the Leinster Track Championships (Sept 24) with a strong team consisting of three current National Track Champions, after their Nine Medal Tally in August. It would be their last competitive event of the 2011 season, and there was no pressure on the young riders to perform. The Team Won Eight Medals in the contest, From Adam Stenson leading the way adding the two Provincial Titles to his National Titles, to Dermot White Winning his first Medal for the club with Bronze in the U14 TT. Kayleigh Gibbons was recovering from illness going into the event, but she still managed a Silver Medal in the 500M TT, and a Bronze Medal in the Scratch race after attacking from lap 1. This was Kayleigh's last ever event in the Youth Ranks, The Lucan girl will be a Junior Rider in 2012, and the club fully expect she will carry on her winning ways on the Track next season.

Adam Stenson showed no signs of the pressure of a Double National Champion, The Under 14 Lucan Sprinter won his TT, and showed great Track ability with a late surge to win the Scratch race, adding the two Leinster Golds to his National Gold Medals.
